ADVOCACY DAYS

On November 4-5, 2025, WE ACT for Environmental Justice and the Environmental Justice Leadership Forum (EJLF) will host our annual DC Advocacy Day themed **“Fighting for Health & Justice”** preceded by a reception on November 4th. After Advocacy Day activities on the 5th, we will reconvene for a Panel on Community-based Participatory Research, **“Leading with Justice: Principles for Community-based Participatory Research.”**

ABOUT EJLF

The EJLF is a national coalition of 40 environmental justice organizations across 23 states working together to advance climate justice and impact policy to ensure the health and well-being of communities of color and low-income communities throughout the U.S.

Hosted by WE ACT, the EJLF brings diverse voices to Capitol Hill, advancing key climate justice and environmental policies. **Your sponsorship makes this critical convening and advocacy possible.**
